

INSPIRED SOLUTIONS

CAPABILITIES STATEMENT

CORPORATE OVERVIEW

Inspired Solutions is an 8(a) Minority, Woman, and Service-Disabled Veteran Owned Solutions Provider. We are a small business that supports our clients from procurement through to delivery. We offer three services pillars, listed below.

CAPABILITIES

VAR (Value Added Reseller) Services

Inspired Solutions simplifies your procurement with our Value-Added-Reseller (VAR) services, providing a one-stop solution for all IT and non-IT projects. We have relationships with over 250 manufacturers to ensure competitive pricing and timely delivery. We procure products and materials in four (4) main areas: IT hardware & software, Inside Plant, Outside Plant, and Construction. We provide strategic procurement consolidation and order management so your projects stay on track and within budget, delivering a seamless procurement experience.

Supply Chain Services

Inspired Solutions delivers strategic supply chain and logistics services designed to enhance your operational efficiency across borders. With warehouses in multiple states and the scalability to expand, we provide secure storage and prompt delivery of your products. Benefit from expedited and international shipping through our robust Fleet Network and global partners. Our value-added services include precise assembly/kitting, packaging, asset tagging, safeguarding, and tracking your goods throughout the supply chain.

Strategic Resourcing & Professional Services

Inspired Solutions offers strategic resourcing and professional services in five (5) areas: IT & Telecom (Architects & Engineers), Supply Chain (PMs and Material Handlers), Healthcare (Nurses & Techs), Construction (PMs & Foremen), and Training (Training Developers and Providers). We offer expert on-site resources for short-term (project-based) and long-term (multi-year programs) needs.

Isabella Pina, founder, and CEO of Inspired Solutions, is an expert in the Procurement and Warehouse/Logistics space. She leads an amazing team that serves its customers by operating as a trusted partner while adding value through material procurement, warehousing/logistics services, and professional services across the Information Technology, telecommunications, medical, and construction sectors.

Isabella's storied past began in the small, impoverished island of Dominica, where she developed three distinct qualities: grit, perseverance, and an unwavering dedication to achieving her dreams. Overcoming all odds, she relied on her entrepreneurial spirit to lead her to the U.S. with only the clothes

on her back and the determination that she could one day achieve the American dream.

Isabella retired from the U.S. Army after serving for 21 years. She built her company on three simple philosophies: invest in people, solve critical challenges, and give back to communities and people who need it most. She has achieved these goals by empowering others to grow themselves, serving on several nonprofit boards, and founding Inspired Solutions to assist other companies in achieving their business goals. With over 25 years of nursing experience, warehouse management, logistics expertise, and supply chain management, Isabella's experience makes her the perfect leader for Inspired Solutions to help companies serve their own customers through more efficient distribution channels.

OUR MISSION

To inspire the world by providing diverse, innovative solutions with a customer-centric approach.

We create a culture where our team members thrive, the business prospers, and we make a global impact.

RIPMinistries is a vehicle Isabella uses to be able to give back to her community and the less fortunate. Inspired Solutions has teamed up with RIPMinistries and ADB Community as a way of changing lives. We are also committed to working with our partner Keeley Companies to continue developing the mission to give back to those who need it the most. Giving back to the community is at the heart of our culture and is integrated into our everyday work.
