

# INSPIRED SOLUTIONS

## CAPABILITIES STATEMENT

### CORPORATE OVERVIEW

Inspired Solutions, Inc. delivers mission-critical IT infrastructure, strategic procurement (as a VAR; Value-Added Reseller), supply chain optimization, and mission-focused professional services to federal agencies and Fortune 500 companies. With over \$180M in successfully executed contracts and a 100% on-time delivery record, we transform complex technical requirements into operational excellence. Our comprehensive certifications (8(a), SDVOSB, M/WBE, EDWOSB, SWaM, ISO 9001) complement our proven performance, as we seek to accelerate mission success. We specialize in turning complex challenges into operational victories while making a lasting impact on the communities in which we live, work, and play.

### CAPABILITIES

#### VAR Services & Strategic Procurement Services

Comprehensive Value-Added Reseller (VAR) services and strategic procurement solutions for IT and non-IT requirements. With direct access to over 300 OEMs and thousands through partnerships and distributor networks, we deliver competitive pricing, timely delivery, custom configurations, and consolidation services.

- **IT Hardware & Software:** Servers, laptops, networking equipment, applications; delivered configured and deployment-ready.
- **Inside Plant:** Structured cabling, racks, enterprise infrastructure with integration services.
- **Outside Plant:** Fiber optics and telecom systems with installation services.
- **Construction Materials:** Power distribution, cabling, and utility systems with logistics management.

#### Smart Supply Chain & Logistics Services

Inspired Solutions optimizes your supply chain with scalable logistics, warehousing, and advanced inventory management systems. From domestic to global operations, our services ensure efficient, secure, and reliable delivery. Key Features:

- **VMI:** Vendor Managed Inventory solutions.
- **Warehousing & Inventory:** Real-time visibility and scalable storage.
- **Assembly & Kitting:** Tailored solutions for complex deployments.
- **Asset Tracking:** Ensures accountability from procurement to delivery.

#### Expert Talent & Seamless Support

Inspired Solutions provides top-tier talent and specialized services across key industries, ensuring operational excellence and innovation.

- **IT & Telecom:** Engineers, network architects, and cybersecurity experts.
- **Supply Chain & Logistics:** Program managers and material handlers.
- **Construction:** Project managers, foremen, and skilled labor.
- **Training & Onboarding:** Customized programs for workforce dev. needs.

### COMMERCIAL PAST PERFORMANCE

#### Utilities & Energy Infrastructure

- Multi-state power distribution projects (Ameren)
- Fiber optic underground infrastructure
- Transmission line construction materials procurement
- Strategic procurement for grid modernization

#### Telecommunications

- Multi-state 5G infrastructure project with warehouse in 8 states
- Inside Plant/Outside Plant (ISP/OSP) materials procurement
- Aerial and underground utility work coordination
- Fiber optic network design and implementation

#### Pharmaceutical & Healthcare

- Large-scale endpoint lifecycle management for global Corp.
- Global deployment and asset tracking
- Enterprise configuration management
- Security compliance for pharmaceutical operations
- 100% on-time delivery across multiple international locations

#### Vendor Managed Inventory (VMI) Solution

- Inspired takes on the cost of capital
- Inspired owns the products, manages inventory levels, and releases as the customer needs fluctuate for projects
- Provide customer remote visibility of inventory levels

### PARTNERS

# ABOUT THE FOUNDER

**ISABELLA PIÑA**  
**FOUNDER/CEO/PRESIDENT**

ipina@inspired-us.com  
 www.inspired-us.com

Isabella Piña, brings 21 years of U.S. Army experience where she rose from enlisted Automated Logistical Specialist to become an Army nurse, officer, and Robotic Surgery Coordinator. Born in Dominica and raised by her grandmother, Isabella developed the perseverance and faith that drove her to earn a Bachelor of Science in Nursing and Master's in Healthcare Management while serving her country. Her military career honed skills in leadership, logistics, and supply chain management that now drive Inspired Solutions' success

Isabella's leadership has earned recognition including the Entrepreneurial Woman of Impact Award and Inspired Solutions' inclusion in JPMorgan Chase's 50 Fastest Growing Women-Owned/Led Companies. Beyond growing a trusted federal contractor, she co-leads RIPMinistries, serves on nonprofit boards, and champions philanthropic efforts including building a school in the Dominican Republic that provides education and meals to over 230 children—embodying her commitment to empowering others and making a lasting global impact.

# CLIENTS

## FEDERAL & STATE GOVERNMENT PAST PERFORMANCE

### Intelligence Community

- Mission-critical infrastructure for intelligence operations (NGA headquarters)
- Power distribution and UPS systems for secure classified environments
- Enterprise telecommunications cabinet systems for intelligence facilities
- Emergency response communication systems (ERRCS/DAS) for public safety spectrum
- Engineering services including advanced switchgear with SEL integration

### Department of Defense (DoD)

- Cisco ISE implementations for Air Force installations (8,000+ endpoint authentication)
- NIPR and SIPR network security solutions with STIG compliance
- Authentication systems and infrastructure security hardening
- Military training facility infrastructure (JRTC Fort Polk land expansion)
- DoD storage facility IT operations support (Camp Stanley)
- OCONUS deployment capabilities (Camp Zama, Japan)

### Department of Veterans Affairs (VA)

- Healthcare IT infrastructure for multiple VA medical centers
- Audiovisual and teleconferencing systems across VA facilities
- Network infrastructure supporting critical healthcare operations
- Cisco Nexus switch migrations and data center upgrades
- Mission-critical systems with minimal operational disruption

### US Air Force: Wireless Giant Voice System Upgrade

- Delivered mission-critical wireless mass notification system
- Installed 62 Genasys LRAD acoustic terminals across critical Facilities
- Integrated with Atlas IED platform
- Achieved NFPA 72 life safety compliance; turnkey implementation.

### U.S. Air Force: Distributed Antenna System (DAS)

- Implemented DAS enhancing mission-critical radio communications
- Deployed JITC-approved infrastructure supporting mult. freq. bands
- Integrated with existing base communications architecture
- Ensured zero-downtime; maintaining oper. security requirements

### Department of Energy (DOE)

- Power grid monitoring equipment (215 PowerLogic ION Meters)
- Multi-state critical infrastructure coordination
- Energy infrastructure reliability and efficiency enhancement

### City of St. Louis / Major Municipal Projects

- Large-scale sports venue infrastructure (MLS Stadium)
- Low-voltage telecommunications infrastructure
- Network infrastructure and IT power systems

## OUR MISSION

To inspire the world by providing diverse, innovative solutions with a customer-centric approach.

We create a culture where our team members thrive, the business prospers, and we make a global impact.

**ACCOUNTABILITY**  
**SERVICE**  
**PEOPLE-CENTRIC**  
**INTEGRITY RISK**  
**MANAGEMENT**  
**EMPOWERMENT**

RIPMINISTRIES is a 501(c)3 non-profit organization founded by Rick and Isabella Piña and Inspired Solutions partners with this organization to serve the underserved in the United States and abroad, with a special emphasis on the Caribbean. This partnership is at the heart of our culture and is integrated into mission to make a global impact.
